Re: *United States v. Sixing Liu* Crim. No. 11-208 (SRC)

Dear Judge Chesler,

As you are probably aware, the United States Attorney's has obtained a Second Superseding Indictment against Defendant, Sixing Liu. There are eleven (11) counts in the Second Superseding Indictment charged by the grand jury against Defendant. The only distinctions between the Superseding Indictment and the Second Superseding Indictment are that 1) there are two fewer allegations violations of the International Traffic in Arms Regulations ("ITAR") 2) there is one more count alleged for alleged false statements to federal agents, in violation of 18 U.S.C. Section 1001 and 3) the Second Superseding Indictment alleges, for the first time, that Defendant possessed a stolen trade secret. Defendant has previously pleaded not guilty to the alleged ITAR violations and the false statement allegations contained in the Superseding Indictment.

Consistent with the provisions contained in Federal Rule of Criminal Procedure 10(b), Defendant is requesting a waiver of his appearance in the United States District Court for the District of New Jersey. Defendant and I have signed a waiver acknowledging receipt of the Second Superseding Indictment and that it has been reviewed it in its entirety. In the waiver, Defendant pleads not guilty to all eleven counts. Defendant will be available to plead not guilty before Your Honor by way of telephonic conference for the scheduled arraignment, currently set for Tuesday April 17, 2012 at 1:30 p.m. Thank you for your consideration of this matter.

Sincerely,

James D. Tunick
